

# CERTIFICATE OF CONFORMITY

ITB-1797/W

It has been stated that:

**SOUDAFOAM FR FIRE SILICONE B1 FR and FIRECRYL FR**  
for filling cracks and connection joints in walls and ceilings

placed on the market and produced by:

**SOUDAL Sp. z o.o.**  
**ul. Gdańska 7**  
**05-152 Czosnów, Częstków Mazowiecki**

in the factory:

**SOUDAL N.V**  
**Everdongenlaan 18-20**  
**B-2300 Turnhout, Belgium**

fulfill the requirements described in:

**Technical Approval No. AT-15-5822/2010**

The manufacturer has implemented a factory production control and carries out further testing of samples taken at the factory in accordance with a prescribed test plan.

The Certification Department of ITB has performed the initial type-testing and the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate is required in the attestation of conformity system 1, in compliance with the Ordinance of the Minister of Infrastructure of 11 August 2004 on the Ways of Declaring Conformity of Construction Products and Ways of Labelling Them with The Construction Mark (Journal of Laws No 198 item 2041 with amendments).

The certificate of conformity no. ITB-1797/W was issued for the first time on 24.04.2009. This certificate (updated on 09.04.2010) may be applicable only to the products that fulfill the requirements of the reference document. This certificate is valid until 09.04.2015, provided that the following are not modified significantly: the product type, the manufacturing conditions or the factory production control.

DEPUTY HEAD  
of the Certification Department

Piotr Maciejak

DIRECTOR  
of the Building Research Institute

Marek Kaproń
